Seller agrees that the Acceptable Forums are convenient to it and submits to the jurisdiction of the Acceptable Forums and waives any and all objections to jurisdiction or venue. Should such proceeding be initiated in any other forum, Seller waives any right to oppose any motion or application made by Purchaser to transfer such proceeding to an Acceptable Forum. Additionally, Seller and Guarantor agree that any summons and/or complaint or other process to commence any litigation by purchaser will be properly served if mailed by certified mail, return receipt requested, to the mailing address(es) listed in this Agreement.

#### 10 WAIVER

Waiver by any party of any breach of this Agreement or failure to exercise any right hereunder shall not be deemed to be a waiver of any other subsequent

Initial AS

breach or right. The failure of any party to take action by reason of any such breach or to exercise any such right shall not deprive such party of the right to take action at any time while such breach or condition giving rise to such right continues.

11 LIMITATION OF LIABILITY

With respect to any claims Seller may have against Purchaser, Seller's sole remedy will be actual money damages that shall not exceed the amount of any funds delivered to Purchaser. In no event shall Purchaser be liable to Seller for consequential, incidental, punitive, exemplary, special, or indirect damages or losses or lost profits relating to this Agreement whether in tort, contract, or otherwise, including negligence.

12 INDEMNITY

Seller shall assume liability for and does hereby agree to indemnify, protect, save, and keep harmless Purchaser and its agents and servants, from and against any and all liabilities, claims, losses, obligations, damages, penalties, actions, and suits of whatsoever kind and nature imposed on, incurred by or asserted by third parties against Purchaser or its agents and servants, in any way relating to or growing out of such breach (collectively "Indemnified Amounts"), including, without limitation, the payment of all costs and expenses of every kind for the enforcement of Purchaser's rights and remedies hereunder, including attorneys' fees and costs in any Trial Court or Appellate Court proceeding, any administrative proceeding, any arbitration or mediation, or any negotiations or consultants in connection with this Agreement. Such Indemnified Amounts shall bear interest at the highest rate of interest allowed by applicable law until paid.

13 SURVIVAL OF REPRESENTATIONS, WARRANTIES, AND COVENANTS

All representations, warranties, and covenants herein shall survive the execution and delivery of this Agreement and shall continue in full force and effect until all obligations under this

Agreement shall have been satisfied in full and this Agreement shall have terminated.

14 DISCLAIMER OF WARRANTIES

No representations, warranties, covenants, or promises pertaining to this Agreement or the transactions contemplated thereby have been made by or shall be binding on any party hereto except as expressly stated in this Agreement.

15 MERGER; DISCLAIMERS

All understandings and agreements heretofore made between the Parties hereto are merged in this Agreement. In the making and execution of this Agreement, neither Seller, Guarantor(s), nor Purchaser have relied upon or been induced by any statements or representations other than those expressly set forth in this Agreement. Seller, Guarantor(s), and Purchaser have relied solely on the representations expressly made herein and, on such investigations, examinations, and inspections, financial or otherwise, as Seller, Guarantor(s), and Purchaser have respectively chosen to make or have made.

16 INTERPRETATION

All Parties and Guarantors hereto have reviewed this Agreement with an attorney of their own choosing and have relied only on their own attorney's guidance and advice or have been provided sufficient opportunity to have an attorney of their own choosing review this Agreement. No construction determinations shall be made against any Party hereto as drafter.

17 JURY TRIAL

The Parties and Guarantor(s) hereby waive trial by jury in any court presiding over any suit, action, or proceeding on any matter arising out of or in connection with or in any way related to the transactions of which this agreement is part of the enforcement hereof, unless such waiver is prohibited by law or deemed by a court of law to be against public policy. The Parties and Guarantor(s) hereto acknowledge that each makes this waiver knowingly, willingly, voluntarily, and without duress. The Parties and Guarantor(s) have been given ample opportunity to seek advice of counsel prior to execution of this agreement.

18 ARBITRATION

If either party or Guarantor requests, the other party or the Guarantor agrees to arbitrate all disputes and claims arising out of or relating to this Agreement. If a party or Guarantor seeks to have a dispute settled by arbitration, that party or the Guarantor must first send to the other party, by certified mail, a written Notice of Intent to Arbitrate. If the parties or the Guarantor do not reach an agreement or resolve the claim within 30 days after the Notice is received, either party or the Guarantor may commence an arbitration proceeding with the American Arbitration Association ("AAA"). Purchaser will promptly reimburse Seller or Guarantor any arbitration filing fee, however, in the event that both Seller and Guarantor must pay filing fees, the Purchaser will only reimburse Seller's arbitration filing fee. Except as provided in the next sentence, the Purchaser will pay all administration and arbitrator fees. If the arbitrator finds that either the substance of the claim raised by Seller or the Guarantor or the relief sought by the Seller or the Guarantor is improper or not warranted, as measured by the standards set forth in the Federal Rule of Procedure 11(b), then Purchaser will pay these fees only if requested by the AAA Rules. If the arbitrator grants relief to Seller or the Guarantor that is equal to or greater than the value of what Seller or the Guarantor has requested in the arbitration, Purchaser shall reimburse Seller or the Guarantor for that person's reasonable attorneys' fees and expenses incurred for the arbitration. Seller and Guarantor

agree that, by entering this Agreement, they are waiving the right to trial by jury EACH PARTY AND THE GUARANTOR(S) MAY BRING CLAIMS AGAINST ANY OTHER PARTY ONLY IN THEIR INDIVIDUAL CAPACITY, and not as a plaintiff or class member in any purported class or representative proceeding. Further, the parties and the Guarantor agree that the arbitrator may not consolidate proceedings for more than one person's claims and may not otherwise preside over any form of a representative or class proceeding, and that if this specific provision is found unenforceable, then the entirety of this arbitration clause shall be null and void.

19 CLASS ACTION WAIVER

Seller, Purchaser, and each Guarantor acknowledge and agree that the amount at issue in this transaction and any disputes that arise between them are large enough to justify dispute resolution on an individual basis. EACH PARTY HERETO WAIVES ANY RIGHT TO ASSERT ANY CLAIMS AGAINST ANY OTHER PARTY AS A REPRESENTATIVE OR MEMBER IN ANY CLASS OR REPRESENTATIVE ACTION.

20 HEADINGS

The headings in this Agreement are for the purpose of reference only and shall not limit or otherwise affect any of the terms and provisions hereof.

21 COUNTERPARTS

This agreement may be executed in counterparts each of which so executed shall be deemed an original and constitute one and the same Agreement.

22 SEVERABILITY

If any of the provisions of this Agreement are held invalid, such invalidity shall not affect the other provisions hereof, which can be given effect without the invalid provisions, and for this end the provisions of this Agreement are intended to be and shall be deemed severable.

23 CELL PHONE, E-MAIL, AND ELECTRONIC TRANSMISSIONS

Seller and Guarantor(s) authorize Purchaser and Purchaser's affiliates, agents, and independent contractors to contact Seller or Guarantor(s) at any telephone number Seller or Guarantor(s) provides to Purchaser or from which Seller or Guarantor(s) communicates with Purchaser, or any telephone number where Purchaser believes it may reach Seller or Guarantor(s), using any means of communication, including but not limited to calls, text messages to mobile, cellular, wireless or similar devices or calls or text messages using an automated telephone dialing system and/or artificial voices or pre-recorded messages, even if Seller or Guarantor(s) incurs charges for receiving such communications. Purchaser and Purchaser's affiliates, agents, and independent contractors, may use any other medium not prohibited by law including, but not limited to, mail, e-mail, text-based messages through applications, social media, or other platforms, and facsimile to contact Seller or Guarantor(s). Seller and Guarantor(s) expressly consent to conduct business by electronic means. Seller and Guarantor(s) may opt-out of receiving auto dialed or pre-recorded calls or texts on Seller's or Guarantor's cellular telephone by contacting customer service at 516-419-5300 and select "Customer Service" from the prompts. Even if Seller and/or Guarantor(s) opt-out of receiving automated calls or texts on a cellular telephone, we may continue to communicate with Seller and Guarantor(s) by other means.

24 ELECTRONIC SIGNATURES

The Parties agree to use electronic records and electronic signatures to document this Agreement. The Parties' electronic signatures on electronic records will have the same effect as signatures on paper documents. Purchaser may designate one authoritative copy of this Agreement. If Purchaser does so, the Authoritative copy will be the electronic copy in a document management system Purchaser designates for storing authoritative copies.
